

**FOR IMMEDIATE RELEASE**

***The following statement was released by NorthPark Center on September 14, 2007:***

As a part of the ongoing expansion of NorthPark Center, there was an unfortunate incident at the construction site on the second floor that resulted in flooding in the Ferragamo store. No one was injured, but there was extensive damage to the store and loss of merchandise.

NorthPark is working closely with Ferragamo in both the U.S. and Italy to reopen the store as quickly as possible, with the hopes that there will be little interruption to the customer shopping experience.

Anticipated reopening for Ferragamo will be in a few weeks. In the interim, clients may shop FERRAGAMO.COM or call 866-FERRAGAMO for service.
